

BLE-PM2

- ▶ Design based on the classic Russian descent pistol Makarov, the NBB system with fixed barrel feature could effectively increase stability while shooting.
- ▶ A 14mm CCW muzzle end and a Shadow Barrel Extension Tube are included out of the box to assemble with ease. The unique Shadow cup design inside the Barrel Extension Tube could help to stable your barrel to increase accuracy while firing.
- ▶ Press-To-Vent hammer design, provides safeness while changing the cartridge.
